about SRG Group

Founded in 2005, SRG Group is one of Australia's leading corporate and small business, broking and claims management firms.

We offer a professional, highly personalised service and tailor insurance plans to suit individual requirements. As a valued partner, we take the time to really understand your business and your individual needs.

We believe this mix of corporate strength and boutique service capability, along with the fact we view our clients as stakeholders in the business, is what sets SRG Group apart.

Multi-award winning insurance brokerage

AUB Group & financial stability

In 2009, the AUB Group (Austbrokers) acquired 50% of SRG Group. AUB is a publicly listed company. For SRG, Austbrokers is the ideal business partner. They provide an enormous amount of financial stability while allowing us to preserve our local identity and management.

This balance not only allows the SRG Group to enjoy all the advantages of being part of a major group, with strategic and administrative support, it means our clients enjoy the scale benefits that come with being associated with one of Australia's largest general insurance broking groups.
