4. Weekly Compensation will only be reimbursed at the rates advised by Zurich.
5. Medical accounts should be sent unpaid to Zurich.
6. **Section 84AA Employer to keep position available during workers' incapacity**
Where a worker who has been incapacitated by injury attains partial or total capacity for work in the 12 months from the day the worker becomes entitled to receive weekly payments of compensation from the employer, the employer shall provide to the worker:

The employer must ensure that the establishment, content and implementation of a return to work program are in accordance with the code of practice. Under section 155D an employer may request in writing that their insurer assist in establishing a return to work program for a worker.

WorkCover have developed guidance notes to accompany the Code of Practice (Injury Management) that contains a template for an Injury Management System. The template illustrates that an injury management system can be a set of simple steps that provide for appropriate action to be taken by an employer when a workplace injury occurs.
Employers who use the injury management system template would meet the requirements of Section 5 of the Code of Practice. For further information visit WorkCover WA's internet site at www.workcover.wa.gov.au or contact the WorkCover Infoline on 1300 794 744.
